

The Wells City Council held a Special Meeting on Monday, June 30, 2003 at 4:30 pm in the Council Chambers. Mayor Jacobson and all councilmen were present, as were City Administrator Allis and Deputy Clerk Redman.

The purpose of this meeting was to discuss the recommendation of the Community Center Committee. Because of the drastic cuts in the budget for this year, the revenue and expenditures of the Community Center were reviewed. On recommendation from the committee, the following items were suggested for the Community Center: 1) eliminate the position of Community Center manager, 2) have City Hall staff reserve rooms, 3) set up guidelines for use of a room, 4) advertise so more clubs are aware of it's usage, and 5) have City Administrator get bids for a professional cleaning service to clean Community Center and City Hall once a week.

Motion by Schultz, second by Carroll and carried approved giving Virgil Breitzkreutz 30 days notice on the elimination of this position as Community Center Manager.

With no further discussion on this matter, meeting was adjourned.

Next regular council meeting will be Monday, July 14th.
Deputy Clerk, Deb Redman
