All cats and dogs over the age of three (3) months shall be registered with the City of Wells. It is imperative all cats and dogs are registered in the case they are picked up by the City of Wells. If they are registered, the City can contact the owner immediately instead of impounding the animal with All Pets in Mapleton. If your animal is impounded, there will be a fee to release your animal.

If the animal is not registered, there will be a \$40 fee assessed in addition to any impound fees.

You will still be required to keep the City updated about rabies vaccinations to maintain registration.

If you are keeping more than three (3) unspayed/unneutered dogs or cats, an additional kennel license and fee is required. A kennel license is \$50.00 per year (3-5 animals) or \$150.00 per year (6-10 animals).

No more than 10 dogs or cats are permitted on the same premise.

Licenses can be purchased at Wells City Hall, 125 S Broadway. **Proof of rabies vaccination must be provided for each animal.** For questions, please contact City Hall at (507) 553-6371 or by emailing cityhall@cityofwells.net.

Please make checks payable to the City of Wells. We do not accept debit or credit cards.

Thank you for your cooperation.
